

Jillaine Marie Psychic Medium READING REQUIREMENTS

[A Message from Jillaine](#) - I am an Intuitive Channel and can access the Soul, Angels, Spirit Guides, your Higher Self, Animals, and the Departed Spirits of Loved Ones. Please allow me to help you with intuitive guidance, spiritual channeling, grief counseling, and life coaching to bring you a brighter tomorrow. My readings offer an immense amount of healing and the communication once again with those in Spirit. You will be touched by these loving messages, guidance and support. Your departed loved ones want nothing more than to make a connection with you to bring you peace. ***NOTE: If this reading is for another person, please advise me otherwise the reading will be for YOU, the payor, and not the person it is intended for in the reading. I open up my psychic senses to the purchaser. You can be vague ((i.e. this session is for my friend Shannon or Brother Bob).***

EXTRA FEES: Devote your session to no interruptions and do not answer phone calls, texts, or check your emails. CHECK MICROPHONES. Do not have other people/animals/children or music playing in the room and interruptions. DO NOT drive or operate machinery during your session. Do not be under the influence of alcohol, drugs, mind altering medication or illegal substances. Please keep your video device or phone in a stationary position. Your session should not be done when you are in a state of anger, negativity or volatility. **You ARE NOT allowed to control who steps forward in Spirit.** This causes a BLOCK of energy for me to read you properly & breaks down spirit communication & my concentration. **CLIENTS WITH ANY OF THESE ABOVE CONDITIONS will result in your reading being ENDED early with a \$65 NON-REFUNDABLE FEE and ONLY the remaining time on the clock being refunded. SAME DAY MISSED APPOINTMENTS WILL NOT RECEIVE A REFUND & WE WILL KEEP THE ENTIRE PREPAID AMOUNT.** In all of these instances, YOUR SESSION WILL NOT be rescheduled. This statement is required due to the actions of clients in the past. We reserve the right to refuse service to anyone due to the above issues, a conflict of interest, scheduling & time constraints or for reasons beyond the scope of our capabilities.

SESSIONS WILL NOT GO OVER ON TIME: Your session is scheduled for its allotted time and will not go over, even if one promises to pay. This overage of time creates LATE appointments for clients after you. **IF YOU ARE LATE for your session it may need shortened and you will not be refunded for the lost time. No exceptions. Scheduling additional or follow up sessions can be done on the BOOK NOW blue button located at www.jillainemarie.com.**

HOW I WORK WITH SPIRIT -Spirit Guides, Guardian Angels and the Souls of your depart loved ones start establishing communication with MY SENSES prior to your reading. I receive validations that should resound with you. This is through a process called a 'psychic opening'. Popular mediums on television use a form of automatic writing to 'take notes' of the little fragments of information intuitively guided by spirit 'sometimes hours or days' before the client arrives. This is MY PROCESS and I begin 10 minutes before you arrive to start resounding with Spiritual Energy and the Higher Realms of the Divine Light of God. You receive more guidance than the average reading because I start with a jam-packed session. Once this is established, the Soul will open up conversationally with YOU. These valuable messages, insight and memories are just for you and far too many to remember if not written! I rely on what I see, hear, feel and sense from the divine realms. This process will be explained in the beginning of your session. **CLIENTS MUST READ AND WE WILL ADHERE TO Reading Requirements & Information which showcases how I work with energy and what to expect in the various types of sessions. There are rules we will follow through the reading process.**

Jillaine Marie Psychic Medium

- SPIRIT RULES** - 1) **Psychic Mediums cannot control who will step forward to speak to you in Spirit. You must HONOR this process.** I know & understand the importance of making connections with WHO you wish to speak with once again. **I will allow time halfway through your reading for us to TRY to speak to those most important to you.** Combo sessions are already cut in half and therefore we will speak to who is presenting in Soul (as the extra time is allocated towards the psychic portion of your reading). **Clients cannot control the reading by discarding who is presenting in Spirit or instructing me to have them 'go away'.** No Medium can predict who steps through in Spirit or RUSH this delicate process. **THE SPIRITUAL REALMS CONTROL THE SOULS WHO STEP FORWARD AND WE WILL HONOR THIS BEAUTIFUL PROCESS.** **Healing has been unveiled by the least expected Souls revealing ancestral knowledge and eye-opening history.**
- 2) Souls must resound with my energy and yours. The life of a shy soul will be a very subtle, less validating and step back. A more vibrant person or talker will be the GATEKEEPER to piggy back in other, quieter Souls or children. Mediums cannot control Souls. If you have a large number of Souls on the other side, it can take several readings to communicate with them all.
- 3) The Soul may not be able to communicate. Earthbound souls, newly passed souls, suicides, murder, traumatic deaths and even the living not willing to release the deceased can lock them to earth. This creates a huge barrier for communication for any medium because they are in a state of confusion and not in a state of consciousness. They have not learned afterlife communication because they are tethered here to earth. If a Soul has not crossed over, I will help Souls with this process at the end of my day. This is RARE but DOES HAPPEN where communication will be very slow or unavailable. They are unaware of this NEW language structure. You may want to do a follow up session after this transition so the newly transferred soul can communicate with us. This happens once in every 100 to 150 readings. BUT IT DOES HAPPEN.
- 4) IF YOU have a special request from a difficult passing, unknown suicide, murder, traumatic death, or missing person's case you MUST email me prior to your reading at info@jillainemarie.com. I will do a **Specialized Remote Viewing Reading** of the energy. In these cases, I use an automatic writing technique surrounding this event along with a photograph and/or first name only. THESE types of readings are by request only and have been done throughout my career with law enforcement and families. You must be able to validate the information and know (or have someone who knows) a significant amount of information about the person. This is also used for haunted properties or paranormal energy viewings due to the 150 or more reasons activity can be taking place.
- 5) The Soul must be ready to talk about sensitive information you may not be ready to hear and process properly. Souls of the white light (in the afterlife of the higher dimensions) can read your thoughts telepathically. They will not discuss matters in detail until you are able to understand them and ready to properly heal. For example: The Soul of my Father would not speak about his passing in detail with me OR ANY MEDIUM for over 10 years due to the pain and trauma it caused me. He was not ready until I was in a state of acceptance and surrender from a spiritual understanding; not through the lens of my physical and earthly eyes.
- 6) Souls need enough time to make a proper connection with me. They may step back and allow another, more pertinent, advanced soul to communicate first. I will begin our session with the primary, stronger and possible ancestral spirits to step forward. They will be the catalyst for shy or newer souls to piggy back together. About halfway through the reading, I will ask you if there is anyone else in spirit you would like to speak too. Souls do not have a voice box like you and I.

Jillaine Marie Psychic Medium

Communication is quite complex and based on silent scenes, words, symbols, feelings and intuitive perception. In one reading I can have over 150 symbols. An average reading will have two to three souls step forward. A combo reading cuts this in half.

7) A majority of national mediums on television today work exclusively with white light energies. A white light energy is a soul who has transitioned to the white light and other side, processed their life review and their Soul contract has been completed. They are in a state of consciousness where they can read your mind telepathically. National Mediums who work with only white light energies, like myself, have had Souls who are not able or willing to effectively communicate. Any other interpretation of this is untrue. Earthbound Souls have not crossed over which is a large barrier. I have been to over 15 NATIONAL LIVE READ MEDIUM EVENTS and this happens to everyone. Over 99% of the time, I can ask & speak for ANY SOUL you want to step forward to give validations. A majority of Mediums cannot use this technique. We must have the time to communicate.

8) Made for TV and reality television shows are highly edited. One popular medium is on-site for four hours for one reading; cutting, re-filming and editing to get the perfect shot. It comes down to a six-minute segment with 6 weeks notification prior to filming. Producers know the person's story in detail. What you are seeing is not always the full picture. Older shows from the 1990's and 2000's era along with several on television now ARE VERY accurate and not edited in a way to remove the realness of the show and authenticity of the readings.

9) An average of two to three Souls will come forward in a one hour reading. Upon your arrival, I have already started establishing communication with the Soul, receiving validations of who they are or how they are related to you. You can ask some questions but Spirit is ALWAYS in charge & knows our telepathic thoughts; many times, answering what is on your mind before you have asked. If trauma was sustained over the years, a mediumship session may be emotionally based for a client, rather than evidential based. This is to facilitate healing and enlightenment for your growth. Sessions are always facilitated by the Souls intention & directed by them. The Souls of your passed loved ones know you best and SPIRIT IS IN CHARGE of the session. I am the facilitator of these messages.

10) Again, in the case of unexplained death, murder, suicide, difficult or a complicated passing, I must walk through it step by step with Spirit. This is to gain valuable insight which can take up the majority of your session. It's explained to me scene by scene, much like a movie, gathering bit by bit to see the whole picture. Spirit must be willing to speak in depth about their passing. At times they will not allow this to try and shield you from sorrow. I have found at times it can be generalized and in a later reading, it will be revealed in depth.

11) It is this spiritual guidance that gives you the valuable tools to improve today, address important issues left unsaid, honor emotional healing for you and assist in the grief process. These very direct messages can assist you with your life's purpose, offer clarity, insight, healing and hope. This can eliminate fear, stress and sadness. I am honored to offer you powerful messages ensuring you of the SOULS still here with you providing comfort, love, and support.

Mediumship Readings - Spirit is around you & a natural part of your daily life. They are beside you, illuminating you with joy, light, & love. No relationship ends with physical death. In mediumship sessions, there is a divine balance of a resounding to their energetic field to have conversations with you once again. I create an open door to access my aura & psychic centers to communicate, listen, & orchestrate their messages. Readings will contain some of the following: evidence of life including *

personality traits * mannerisms * favorite activities * interests * physical descriptions * funny quirks * career * significant items * type of passing * health issues * emotional state* hobbies & collections * popular phrases used * significant songs or music * events after passing * situations after their passing * events from your life * vacations * geographical locations. Events going back to the childhood may be revealed. If there was relationship trauma, your Mediumship reading may be more emotionally based to heal. In 2022, Mediumship sessions are for one person only due to time constraints (unless you are a current client who is grandfathered in). The new 65 minute, three person mediumship is for family members (NOT friends) to share in the experience. I cannot actively speak with four souls, address three people separately plus their kids for personal messages in 60 or 65 minutes. You MUST order a 90 minute or 2 hours Group Reading for addressing multiple parties who are friends and/or family to receive a good reading.

It is unique, purposeful, individualized and an outpouring of love. Many times the whole personality and phrases are used by your beloved. This is a spiritual exchange of energy. Validations are life-changing to redirect your happiness. If there is emotional heartache needing addressed, Spirit will take this time to bring you peace & clarification. Clients leave with a new lease on life and spring in their step knowing our departed loved ones resound with our heart and mind. Spirit may even discuss their life dating back to their childhood. They can recall any memory which will tie to a significance in your life today.

Unknown or Complicated Passings: Spirit will walk me through their physical death step by step which will take a larger part of the session. This is to be authentic with the Soul so they can discuss it more in detail with you to find peace and understanding of their final departure to their spiritual home. By understanding it is their story to share you allow the process of healing to begin.

Psychic, Loving Relationships and Life Coaching Readings are lovingly guided by accessing your energetic field through your Guardian Angels to help you in your life, career, relationships, finances and more. **THEY CAN ALSO BE VERY EMOTIONAL AND IMPACT DRIVEN. THE EVOLVED SOUL WANTS TO RELEASE ANY PAIN THEY CAUSED YOU.** This world can be hard to navigate. Connection with your true higher self at the Soul level aligns you to the Source of God and your divine nature. Relationships, truth and love are the catalysts for growing, evolving and living a free and happy life. Starting with self-love we can begin to look at emotional blockages, eating disorders, family or relationship karma, limited beliefs, fear connections, negativity, and/or outdated patterns. Validations are given to move and navigate through sessions creating an exchange of how best to serve your well-being for a vibrant and fulfilling future. I MUST have time to connect and read your energy and it's not always a yes or no answer. Life has many variables. At times I will pull a card to validate the mirage of symbols I receive during our time together.

It is vital you have trust, openness and honesty in the process or it will affect the accuracy and outcome of your reading. Most are fun, energetic displays of your amazing personality traits. A psychic reading will be revealing in unlocking issues of addiction, passivity, childhood belief systems, religious conditioning, projecting, self-sabotage, life lessons, limited beliefs, guilt, grief, anger, betrayal, lower vibrational energy, chemistry body changes affecting intimacy, subconscious thoughts, self-esteem, victimization, self-love, martyrs, control, oppression, depression, family conditioning, karmic ties, past life ties, generational curses, balance, trauma, self harm, abuse, healing, conscious thought patterns, reciprocal relationships, drama, mental cognition or disease,

negative energy, anxiety, boundary setting, cause and effect, patterned behavior, sensitivities, medical conditions preventing growth, DNA and blood line correlation, cleansing and clearing techniques, power & control, fear connections, emotional dependency, and much more. I am only here to help you but ***you must be receptive*** to assistance from Spirit. WE must work through the block to get you to a life of abundance and joy.
